Artwork

Any or all files provided by you must be in **PNG** format with **150DPI - 300DPI** or **Vector format**.
Printing can only be as good as the artwork.

SNAPARTWERKZ will not be responsible for poor quality printing due to poor artwork if you can provide production ready design in the format requested by us, we SNAPARTWERKZ is not responsible for any misspellings, errors, or issues in your art file.

We do our best to catch these errors and point them out to you, but we may not catch them all.

If it is in your art file and on your approval, that is how we will print it but “we” firmly advised for you to trust in our work to recreate your design as closely as possible with cost charge implies.

Copyright Designs

Supplied Designs – It is the client’s responsibility to gain authorization to use any copyrighted, trademarked or otherwise licensed material / logos in their order. We will not be liable for use of copyrighted trademarked or otherwise licensed logos, designs or artworks products supplied to your specifications.

Designed produced by us – Any designs produced by us for you will remain our intellectual property and may not be used in any other form without our prior written consent. This excludes where only a mock-up has been produced by us using artwork provided by you.

Designs – We may occasionally use example of custom printed clothing we’ve previously produced in our marketing such as brochures, websites, exhibitions and pitches. If you would prefer to opt-out or keep your relationship to us discreet, please contact us in writing.

You also grant us the right to refer to your name and identify you as a customer of us, in any publicity or marketing collateral and you grant us a continuing right to use your branding for such purposes, including after termination of this agreement unless you request otherwise in writing.

Art Approval / Order Proofing

All artwork is to be approved via a digital mock-up through emails or WhatsApp or chats in (the "Site"). Artwork must be checked for spelling, colour, sizes ordered, placement of the art and accuracy of artwork by the customer in the forms and mock-ups provided. It is very important to look over every detail of the mock up, as this is how your garments will be printed.

SNAPARTWERKZ will not accept responsibility for corrections not implemented and/or requested after artwork approval. Any modifications requested after customer approval will result in production delays. Any delays in the approval process will took longer than **72 hours** after receipt of the mock-up could result in production delays.

We will not proceed with any mock up designing without any deposit or needed information as mention in the forms given.

We will only create original **3** design for your selections, consecutive changes will implicate cost and additional on the turnaround time.

Please note if you ask us to move forward as soon as possible with rush orders while referencing your own submitted mock-up or print file/s will resulted in poor quality we will not hold accountable for any poor-quality result and "we" firmly advise you to finalised the art design/designs before moving forward.

If this applies and you only submitted a mock-up, we will do our very best to recreate your design as closely as possible, however, please keep in mind that there will be an upfront payment of **100SGD to recreate or create custom design logos.**

Recreating artwork or identical to a low mock-up or print file (anything under with low DPI) is almost impossible especially under a rushed lead time.

If you submitted print files and mock-ups for your order, we will use your exact print files (sizing, colours, & quality) to produce your prints and will use your mock-ups as placement guides.

We will not accept any rush orders as "we" would want you to be satisfied with your custom designs and logos. You must let us know as soon as you place your orders as to meet your deadline.

Upon confirmation for all your custom logo designs, mock – ups garments and details information agreed; we will **deduct the deposited amount from your total price value order**, will be reflected in your invoice.

If you have any questions that cannot be answered in the information above, please contact us.

Limited Imprints Locations

Please note that not all shirts are sewn exactly the same. The following dimensions are to be used for reference as a "safe" zone to avoid printing on any seams or edges.

Please check the individual product sizes catalogues for exact measurements you are looking for.

Although SNAPARTWERKZ be able to create customs designs, inconsistencies may occur in ink coverage when printing near or over the collar, seams, or any other edges.

Any large prints may run the risk of going over the sleeve seam. These are all considered acceptable goods and will not be considered for reprints.

We firmly advised to avoid having input design at the location mentions above.

Printed and embroidered goods are non-refundable and charges at standard price, plus carriage.

With your agreement, we may send a photograph of the sample goods to you in lieu of the physical garment.

If you have any questions about our limited custom design location placements that cannot be answered in the information above or on our website, please contact us.

Changes to Your Order After Payment

Any change made to your order that is not due to a stock issue on behalf of the stock suppliers will be subject to a case per case basis. Any changes to your order after it has been placed will delay your order, even if you have paid.

It is very important that you do not place your order until you are certain that's what you want.

Once the process begins, we will not be able to stop the production for a redo of the designs for all the ordered goods. Changes become costly and time consuming.
